Creation of a Modern Jewish State - Tel Aviv – Jaffa

- **Old Jaffa** – The ancient port to the Gates of Zion (Sha'ar Zion). For thousands of years, Jaffa has been the gateway to the Holy Land. We'll walk amongst the narrow streets and alleys to journey back to ancient times. Today Jaffa is home to artists, musicians and a world of culture and history. Our tour will continue to the famous "Shuk Hapishpushim' (Flea Market) located near the landmark Clock tower, built during Ottoman times, when the first train to Jerusalem was built in 1897.
- **Jaffa Tales – Old Jaffa Visitors Center** – A multi-sensory presentation taking us on an exciting adventure with tales of Old Jaffa.
- **Palmach Museum** – Come and join a group of young 'Palmachnikim' as you experience their recruitment, training and stories as they advance through the story of the Palmach until the end of the War of Independence. Hear their stories, feel their courage, love passion and pain as you follow them on their journey to help establish the modern Jewish State of Israel.
- **Tel Aviv – 'White City'** - Israel's city that never sleeps. The first modern Jewish city built over 100 years ago is today a symbol of Israel's development, growth, freedom and success. We'll take a stroll through Rothschild Ave and see the Bauhaus/International style buildings that won Tel Aviv the UNESCO Heritage recognition as the 'White City' in 2003.
- **Independence Hall** - On May 14th, 1948, David Ben-Gurion proclaimed the founding of the State of Israel, establishing the first Jewish state in 2,000 years. Today, the space where this occasion took place serves as a museum that tells the story of Israel's Declaration of Independence.
