Travel all over the countryside...

Dead Sea / Judean Desert

- **Masada** - The last stand of the Jewish Revolt against the Romans, that led to the destruction of the 2nd Temple, 2000 years ago! We'll tour the Herodian desert fortress and learn the history of one of the most famous stories and landmarks in Israel and Jewish history.
- **Ein Gedi** - Oasis in the Judean Desert (and one of my favourite watering holes!) We'll have a small hike in and around the natural fresh waters and waterfalls of the lowest and one of the most beautiful oases in the world. If we're lucky we'll also get to see some of the wildlife including: hyrax's, Ibex and more...
- **Dead Sea float experience** - Time to get down and relax at the lowest point in the world. A must-have experience for every visitor to Israel. Enjoy one of the private beaches on the north end of the Dead sea that offer mud, clean showers, bathrooms a kosher restaurant, bar, gift shop and even a pool!
- **Eretz Breishit** - Meet Eliezer, Abraham's faithful servant, as he leads us by camel back 3800 years to meet Abraham himself! You'll enjoy hospitality of biblical proportions as you dine in Abraham's tent, overlooking the magnificent Judean hills, with a delicious and plentiful basari (meat) meal.
